Running a tournament takes a lot of help. First THANKS to the Coaching staff who prepared the Panther Wrestlers. Secondly THANKS to the table workers who worked tirelessly manning the tables providing timers, score keepers, tappers, & runners. Without a very GOOD table worker pool the tournament can run into problems. Thanks to Emily Gaddy & her trainier staff who support the student atheletes throughout the tournament. Thanks to the headtable keeping the tournament running on track & keeping the brackets straight. Thanks to the referees who did a GREAT job over the 2 days. Last & certainly not last THANKS to the hospitality staff. You keep the Coaches, referees, & table workers fed. We heard numerous compliments not only of the good food but the deversified menu. Thanks to y'all.
